SCHEDULE A - DIRECT CONTRIBUTIONS -- Please note the instructions in the report. If a contributor gives an aggregate contribution over \$100 in a calendar year, see explanation of aggregate contribution below. For individual contributors, the name, residence address and place of employment (name of employer) must be listed. For itemized political party and PAC contributors, the name and address must be listed. All PAC contributions must be itemized. **AGGREGATE** - The term "aggregate" is used several times in the Code. If a candidate or committee has to report the name of an individual contributor. If a contributor gives \$75 on one date and \$75 on another, he has contributed an aggregate of \$125 and the contributor's name and place of employment must be reported by the committee receiving the contribution. If the first contribution is included in an earlier report, only the amount of subsequent contributions need to be itemized. The aggregate should be reported in parentheses (\$125) following the itemized amount of \$75.

SCHEDULE B - FUND-RAISING EVENTS PROCEEDS -- List the net proceeds of each fund-raising event. Completion of this section does not relieve you of the requirement to itemize aggregate contributions. Contributions received at a fund-raiser must be accounted for in such a way that if a contributor makes a contribution over \$100, this contribution can be listed on Schedule A as an itemized direct contribution if it is contained in Schedule B. If you prefer you can place all contributions from the fundraiser on Schedule E and all expenditures for the fundraiser on Schedule E.

SCHEDULE C - IN KIND CONTRIBUTIONS -- All in kind contributions should be listed in this section. Contribution limits apply to in kind contributions as well as direct contributions.

SCHEDULE D - OTHER INCOME -- List any other income such as refunds, uncashed returned checks, reported as an expense (itemize by recipient), and interest earned.

SCHEDULE E - EXPENDITURES -- Contributions to candidates or committees must be itemized. The recipient must be listed along with how much each received. Any debts or obligations listed on a page which have been paid should be shown as an expense. Items which have been purchased but not yet paid for should not be listed as an expenditure but rather on Schedule F as an obligation.

SCHEDULE F - DEBTS AND OBLIGATIONS -- All outstanding debts and unpaid bills on the closing date of the report should be listed. Debts and unpaid bills must be accounted for on succeeding reports. As this section is paid, those payments would be listed on the expenditure page of succeeding reports. If a debt is forgiven during a succeeding reporting period, it should be shown as an in kind contribution to the report covering the period when the debt was forgiven. If a monetary loan is forgiven during a reporting period, it should be shown as a contribution to the campaign and as a monetary load report on the summary page.

SUMMARY PAGE -- This page contains a summary of all the Schedules. The amount on hand at reporting period must equal the amount on hand at the beginning plus total monetary receipts plus the campaign plus candidate's contribution to the campaign minus loan repayments and expenses; hand at the close should accurately reflect the amount of money that the committee has at the end of the period in their checking, savings, CD, and other accounts.
